The 40th Annual CAARI Archaeological Workshop @ Bank of Cyprus Cultural Foundation

Faneromenis 80, Nicosia 1011

[https:// caari.org/](https://caari.org/)

Held in collaboration with the Department of Antiquities Cyprus and the Archaeological Research Unit of the University of Cyprus

A series of short presentations on all the very latest fieldwork and lab research being carried on the archaeology and history of the island of Cyprus. Beginning with the earliest evidence of human habitation, through to the Bronze, Iron, Classical, Hellenistic, Roman and Medieval periods into the recent 20th century.

Workshop

The 40th Annual CAARI Archaeological Workshop

Held in collaboration with the Department of Antiquities Cyprus and the Archaeological Research Unit of the University of Cyprus.

A day of short presentations on all the very latest fieldwork and lab research being carried on the archaeology and history of the island of Cyprus. Beginning with the earliest evidence of human habitation, through to the Bronze, Iron, Classical, Hellenistic, Roman and Medieval periods into the recent 20th century. Come and discover something new about the island you live in.
